Trustee's Report for Maryland 4-H All Star Executive Meeting
Harford County 4-H Camp at the Rocks
6 Cherry Hill Road
Street, Maryland 21154

We currently have two outstanding loans, Loan #193 for \$4,000, and Loan #194 for \$3,092. I have been in contact with the students.

Loan #194 we received \$700.00 February and March 2016 leaving a balance of \$3,092 which includes the 10% interest. They are trying to pay every month \$350 until paid off.

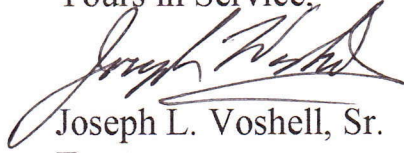

The student with Loan #193 is attending Widener University and will receive her Masters for Business Administration in May 2016. I sent her a letter January 18, 2016 and have not received a reply. She also has a B.S. for Nursing, graduated cum laude and was a six-time Dean's list recipient and has a minor in American Sign Language. She is also on the coaching staff at Widener University women's swimming team. This pays her room and board. Hopefully, we will be receiving payments in June 2016.

I sent a letter to our student with Loan #195 January 14, 2016. Today I received a check for the pay off of their loan.

I am very happy with Loan #195 being paid off today and Loan #194 in the process of being paid off. My hopes are that Loan #193 will begin being paid off in June 2016.

I will do my very best staying in touch with our last two loan recipients until their loans are paid off.

Yours in Service,
