### Trustee's Report for Maryland 4-H All Star Annual Conference Howard County Fairgrounds

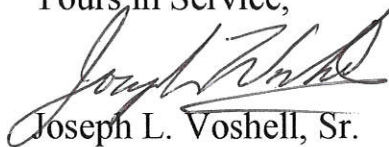

We currently have one outstanding loan for \$4,055.00 which includes the 10% interest.

I have received three checks at \$105.00 each for the last three months, leaving a balance of \$3,740.00. I expect another check any day now.

She is still working two part-time jobs hoping to land a full time job soon. Hopefully, full time will come soon and she can increase her payments to us.

I will do my very best staying in touch with her until the loan is paid off.

Yours in Service,

Joseph L. Voshell, Sr.  
Trustee

Report from Western Maryland

From Garrett County:

Two meetings were held: February 28 and March 13.

Election of officers was held.

Potential candidates for All Stars were named, and forms were submitted for one candidate (he later had to withdraw because he couldn't come today)

Garrett County All Stars will again operate the concession stand at the rodeo at the fairgrounds on the first of July, and sold refreshments two weeks ago for the truck and tractor pull at the fairgrounds. Other fundraising events were discussed, including the corn booth at the county fair.

There was some brain storming on ways to get more publicity for the All Star group. The members do a lot, but the All Stars doesn't seem to have a lot of name recognition outside the group itself.

Members helped with the public speaking event in March, and Achievement Night in April. Awards were given to outstanding first year record book and final year record book. Trophy to the first year, and a cash award to the final year recipient.

From All counties:

All Star members helped with reviewing record books and making preparations for Achievement Night.

Plans are being made for the county fairs which begin in just a few weeks:

Allegany County Fair and Ag Expo, Cumberland July 14-22

Trace Adkins will be there July 19

Washington County Ag Expo and Fair, Sharpsburg July 15-22

Garrett County Agriculture Fair, McHenry July 29-Aug 5

## SOUTHERN AREA DISTRICT REPORT

June 24, 2017

Annual Conference

**ST MARY'S COUNTY:** Since the last Annual Conference we combined our efforts with our county Young Farmers group and held a Farm Safety Day last July. We had 35 youth in attendance! We helped in multiple ways at our county fair. We helped with our county's Holiday workshop in December and helped train the county's new club officers at the beginning of January. We scouted 6 new members. We helped judge record books and helped to plan our county's annual banquet. We are planning for this year's Farm Safety Day which will be July 14<sup>th</sup>. We are also hoping to have an ice cream social at our fair in September to try to renew interest in All Stars who we don't see very often.

Susan Vallandingham

**PRINCE GEORGE'S COUNTY:** Belinda Queen would like to step down from the chair position and needs help finding someone to fill the slot.

**ANNE ARUNDEL COUNTY:** Anne Arundel met 3 times this year and has scouted two candidates and one resubmission for today's ceremonies. We helped with our county Public Speaking and Demonstration Day in February. We had four attendees at Semi-Annual Conference, and three registered

We ran a very successful food booth at the Antique Tractor Pull at the County Fairgrounds and are offering 3 Camp scholarships and 2 academic scholarships to 4-H'ers this year. We have 2 Diamond Clover Level VI mentors. Group is working on attaining our charter and have drawn up bylaws. Have gotten donations and items for the Interstate. Annual All Star Conference

June 24, 2017

Report from Central Shore

Caroline Dorchester Talbot

All Stars from the Central Shore region are getting ready for their upcoming fairs. Talbot County Fair is in July and the Caroline/Dorchester Fair is in August.

Talbot All Stars will once again have a raffle booth. Proceeds are used to give book scholarships to graduating seniors attending college. Also funds go towards county youth attending camps this summer. Many All Stars are involved with livestock shows as well as organizing the indoor exhibit and fashion show.

Caroline / Dorchester All Stars are involved with planning the many fair activities. The indoor and livestock shows are organized by these volunteers.

Record books were scored by All Stars and many 4-Hers were recognized at their county achievement programs this past spring.

Caroline submitted two county 4-Hers for today's ceremony.

This past week the Central Shore lost a great friend to 4-H. Although Audrey Duncan was not an All Star her service to 4-H was immeasurable. Audrey was the face of Extension in the Talbot County office for many years. Even in her retirement years she was well aware of the accomplishments of the 4-H families. She will be missed by all who knew her.

Talbot County also lost a dear supporter of the 4-H program with the passing of

Herbert Andrew. He gave many hours to the 4-H program by assisting his wife Della with her club activities. He held many titles throughout the county but was always willing to donate his services as an auctioneer to any 4-H event. He too will be missed.

Respectfully Submitted, Susan Behrens District Representative

## ***Come along with 4-H All Stars and cruise to the Last Frontier, Alaska!***

**Vancouver** – Sail from beautiful Vancouver, British Columbia, that offers travelers both outstanding opportunities for outdoor adventure and the sophisticated amenities of a world-class city.

**Ketchikan** – Ketchikan, Alaska, is truly the beginning of the last frontier. Set at the southernmost entrance to Alaska's famed Inside Passage—Ketchikan is best known for three things: feisty salmon, idyllic scenery, and an incredibly rich Alaska Native culture.

**Juneau** - Downtown Juneau sits snugly between Mount Juneau, Mount Roberts and Gastineau Channel. Alaska's state capital is also one of its most beautiful cities and one of the most visited communities in the state.

**Skagway** - Skagway rarely disappoints visitors. A seven-block corridor along Broadway features historic false-front shops and restaurants, wooden sidewalks, locals in period costumes and restored buildings, many of which are part of the National Park Service-managed Klondike Gold Rush National Historical Park.

**Glacier Bay** - Covering 3.3 million acres of rugged mountains, dynamic glaciers, temperate rainforest, wild coastlines and deep sheltered fjords, Glacier Bay National Park is a highlight of Alaska's Inside Passage.

**Let us know if you would like to extend your vacation to include Denali National Park or Fairbanks.**

Holland America Line will donate \$50 to the respective State 4-H All Stars Program for every stateroom reserved in this group!
