

2000 STARS IN MARYLAND

The first Interstate 4-H All Star Conference of the millenium will be held August 3-6, 2000, in historic Frederick, Maryland. Located at the foot of the Catoclin Mountains, just below the Mason-Dixon Line, Fredrick has brick lined streets, rolling countryside, and majestic mountains. Founded in 1745, Frederick, is noted in John Greenleaf Whittier's poem Barbara Fritchie, a poem about a feisty lady who supposedly defied Stonewall Jackson as he passed through Frederick, "shoot if you must this old gray head, but spare your country's flag she said". Frederick is also the final resting place of Francis Scott Key, author or our National Anthem.

Frederick has many attractions to offer for visitors to the second largest city in Maryland. These attractions include Schifferstadt Architectural Museum-the oldest dwelling in Frederick City; Rose Hill Manor Park - the last home of Maryland's first elected governor Thomas Johnson. Hessian Barracks - a place where Mercenaries fighting for England were housed; Mt. Olivet Cemetary - final resting place of Francis Scott Key, Barbara Fritchie, Thomas Jefferson and other famous Fredericktonians; the National Museum of Civil War Medicine - the only institution of its kind in existence today; the Community Bridge - an amazing trompel'oeil (fool the eye) wonder. Frederick also has antiques, shopping, art and culture, dining, parks and recreation, orchards and farms, wineries and breweries.

Interstate 2000 will be based at the newly remodeled Holiday Inn Fort Detrick, located at the interstecction of US Route 40 & 15, just a short distance from downtown Frederick.

Friday and Saturday dinners include a Western BarBQ(dress appropriately) and a roast beef buffet. Breakfast will be on your own, either at the hotel or at any of the many restaurants along "Golden Mile".

Tours will include downtown Historic Frederick and surrounding area. Sunday vespers and sendoff will be followed by Maryland's Annual Conference-Initiation and Consecration Service at the Holiday Inn. Look for further details in the future. We hope to see you at 2000 Stars in Maryland, Interstate 4-H All Star Conference.

Semi Annual Conference 2001 was held in Port Republic on April 7, 2001. The day included tours of the Historic Christ Church Parish House and a one-room schoolhouse. A \$325 Conference excess was donated to the Daddy Jenks Memorial refurbishment. The auction broke all records, raising more than \$1,900 for Trail expenses.

Interstate 2001 was held August 2-5 in Wheeling WV. Fifteen Maryland 4-H All Stars participated, including Loren and Lois Fulton who are now Ohio residents. The three days in West Virginia's panhandle included visits to the former West Virginia Penitentiary, the Homer Laughlin China Co. (manufacturer of Fiesta ware) and Oglebay Park.

Annual Conference 2001 found All Stars once again gathered at Comfort Inn in Bowie for the consecration and initiation of 68 new All Stars.

Over \$10,000 profit from the 2001 State Fair food booth was earmarked for the following programs — National 4-H Congress, National 4-H Conference, Technology, Natural Resources, Consumerism & Family Science, and Healthy Lifestyles.

During the 2001 and 2002 Legislative Sessions, joint funding bills were promoted in both the House and the Senate to fund capital improvements at Maryland's four State 4-H camps — Patuxent River 4-H Center, Harford County 4-H Camp at The Rocks, Thendara 4-H Center, and the Western Maryland 4-H Camp. Although budget constraints meant less money than requested, relationships have been established with all legislators and prospects for future funding are bright.

After some 18 months of planning and coordination, the refurbished Daddy Jenks Memorial meditation area at the National 4-H Center was rededicated as part of Semi Annual Conference on April 6, 2002. The ceremony included remarks from Joe Voshell and Charles St. Clair, as well as remarks from Daddy Jenks' daughter and grandson.

In the Spring of 2002, All Stars throughout Maryland participated in 4-H's Centennial Celebration, hosting County conversations and participating in statewide conversations on the issues facing youth development in the 21st Century, leading to the formulation of recommendations for statewide action in Maryland.

Summer 2002 found Maryland All Stars addressing concerns about the use of American Indian symbolism throughout the organization. In order to ensure the continued use of 4-H symbolism, at the behest of the USDA and the State 4-H Office, the All Stars eliminated all references to American Indians from All Star ceremonies and documents. Organization officers have been renamed President, Vice President, Secretary, Treasurer and Scout.
