Virginia All-Stars hosted the 2015 conference in Roanoke, VA. Roanoke is nicknamed the "Star City" and is located in the mountains of Western Virginia. All Stars visited the Downtown Roanoke Farmers Market, the Taubman Museum of Art, Mill Mountain Zoo, the Science Museum of Western Virginia, Black Dog Salvage and the Roanoke Star. The star is the world's largest freestanding, illuminated man made star and has been standing atop the mountain for 65 years. A silent auction was held to benefit the Virginia 4-H All Stars and the Keffer Scholarship.
